Enrollment for each session varies resulting in slightly different routes for Session Two. The anticipated changes, based on recent past summers, are listed below each affected stop. These changes are just estimates and it is possible that other changes not listed may need to be made. You will be notified when and if any changes are made that affect your family. Families enrolling for just Session Two should select a stop not designated as Session One only. Families enrolling in both sessions who select a Session One only stop for Session One will be asked to select a Session Two stop at a later date unless enrollment permits the continuation of their Session One only stop.

Camp Kinneret Summer Day Camp | Enrollment Policies

At Camp Kinneret, our goal is to provide the highest quality experiences for our campers. We do this in two important ways. The first is to facilitate the camp group experience by enrolling campers in specific sessions, thereby allowing campers to develop a group spirit through a shared camp experience. The second is by maintaining small camp groups. To achieve these two important goals and to help avoid larger fee increases, we have established the following enrollment policies to maximize balanced group session enrollment. Please review these policies carefully prior to enrolling so that we can best serve you.

SESSION ENROLLMENT: Session One is five weeks beginning on June 18th and ending July 20th. Session Two is four weeks beginning on July 23rd and ending on August 17th. Campers may miss one week in each session (see next paragraph). LAUSD students may attend weeks 2-5 of Session One and weeks 6-8 of Session Two. Available enrollment day combinations are limited to those listed in our enrollment materials and on our website. If your camper will miss one week of a session, please note the following options and important deadlines:

- You may choose to have your camper attend for a full session of camp days by making up the missed days during other enrolled weeks. (*See Absences and Make-up Days below for specific make-up day guidelines.*) Or, if the week missed will be a full Mon. - Fri. week, and if you notify the camp office by May 1st, you may choose to pro-rate the session in which your camper will miss the week. The pro-rating option is only available until May 1st. After that date, only make-up days are available for the missed week. (If your vacation will start in one week and end in another and you would like to pro-rate one week, this may be possible in some circumstances, but it is necessary to call the office to discuss your specific situation in advance.)
- The first day for returning families to submit applications for the 2012 camp season is Tuesday, January 3, 2012. The first day for new families to submit applications for the 2012 camp season is Monday, January 16, 2012. All new family applications are submitted online to ensure that camp receives complete, accurate and legible enrollment information to facilitate the processing of applications. 2011 families desiring to participate in the January priority enrollment period must submit their pre-printed personalized renewal application via mail or in person. Online and faxed returning family applications are not accepted during the priority enrollment period. Participating in the January priority enrollment period does not guarantee returning families their first choice day combination, but will allow for their application to be processed before any new family applications.

SESSION ONE CAMPERS WISHING TO ENROLL FOR JUST TWO ADDITIONAL WEEKS IN SESSION TWO: The regular minimum enrollment for Session Two is **three weeks**. Session One campers who would like to add just 2 weeks of Session Two may request this at any time. Requests are added to a waiting list in the order they are received, so it is best to make your request early. After June 1st we will start making calls to families based on space available for the 2 weeks they requested. The 2 weeks requested can be any 2 weeks of Session Two. Submitting a request for a 2 week extension does not guarantee the space will be available. The 2 week extension option is only available to campers enrolled in Session One.

CHANGING YOUR ENROLLMENT PRIOR TO CAMP: Campers who wish to change their enrolled day combination will be limited to the day combinations which are available at the time the change request is made. Consideration will first be given to those campers on the waiting list who had previously requested to enroll in the desired day combination.

DEPOSITS AND PAYMENTS: *A deposit of \$200 for each camper for each session desired is required to be submitted with the application. New family applications submitted online include online credit card deposit. Credit cards are not charged until enrollment is confirmed by camp.* A 3% discount is available for any part of your camp fee (including desoposits) that is paid by check. Statements are mailed to enrolled families prior to balance due dates. Statements provide the balance due as well as the discounted amount should families choose to pay by check. By submitting an application and providing your credit card information, you hereby give us permission to charge outstanding balances on the provided credit card on the day the balances are due if alternate payment has not been made by that time. Payment for extra days added once the summer begins must be made by credit card at the time the extra day is added and no discount for paying by check will be available. A camper enrolling in both sessions must submit a deposit for each session. The balance of fees for Session One is due May 1st. The balance of fees for Session Two is due June 1st.

There is no camp on July 4th and families scheduled for that day receive a \$99.50 credit for that day.

ABSENCES AND MAKE-UP DAYS: Campers may schedule one make-up day for each regularly scheduled camp day that is missed provided that space is available in the camper's group and on the bus. There is no guarantee that space will be available, and if it is not available, no refunds or credits are provided for missed days. **Make-up days are subject to the following provisions:**

1. **You must call the office to inform us about camper absences. Please do not email us about absences due to limited online access at the campsite.** If your camper is not at their bus stop for their scheduled pick up and we have not been notified of their absence in advance, we will consider your child missing. Our office staff will begin calling to reach you to ensure your child's well-being. **Make-up days are only available for absences that are called into the office in advance.** Should your child wake up sick in the morning, call the office as early as possible to ensure that you will be able to schedule a make-up for that day. We will radio your bus captain to inform them of your absence so that they do not worry about your absent camper.
2. A camper enrolled in Session One ONLY must make up any missed days during Session One, and CANNOT make up these days in Session Two.
3. A camper enrolled in Session Two ONLY must make up any missed days during Session Two, and CANNOT make up these days at any other time.
4. A camper enrolled in Sessions One & Two, who is absent for a day or days in Session One is encouraged to make up these days during Session One, but shall be permitted to make up the days in Session Two provided s/he is already enrolled and paying tuition for at least two weeks of Session Two.

5. It is the responsibility of the camper's parent or guardian to contact the office to **schedule make-up days**. **ABSENCES WHICH ARE NOT MADE UP AS PRESCRIBED ABOVE ARE LOST, AND NO REFUND OR CREDIT SHALL BE GRANTED.**
6. There is **NO** charge for scheduling the **first** make-up day for **each** absence; however, if after scheduling a make-up day, you then decide to **reschedule** that make-up day, a \$25 administrative fee may be charged.
7. No make-up days or refunds for missed days are available for 5 day/week enrollments.
8. Make-up days may be scheduled in advance of a known future absence after the first day of each session.

WITHDRAWALS AND REFUNDS: Please call as early as possible if you need to withdraw your camper(s). For returning families who enroll during priority enrollment (*prior to January 31st*) all deposits and/or fees paid are fully refundable if you notify us of your desire to withdraw by **APRIL 1st**. All other families must notify us by **MAY 1st** to receive a full refund. After the withdrawal deadline and until June 1st, only the applicable \$200 per session deposits shall be non-refundable and all other fees paid shall be refunded. (*This includes those situations where a camper enrolls for both sessions and later withdraws from one session*). After June 1st, 50% of the unused tuition shall be forfeited and the remaining 50% shall be refunded.

On occasion, a first time camper entering preschool or kindergarten may not be ready for camp and may withdraw or be asked to leave camp prematurely. Parents should carefully evaluate their child's camp readiness and should speak with a camp director at the time of enrollment to help ensure the best decision for each child. In the event that a first time camper entering preschool or kindergarten shall be withdrawn by you, or should camp determine after working with you and your child that s/he is not ready for the camp program, camp will refund 50% of the unused tuition. The other 50% shall not be forfeited as is the case with older campers. Camp will retain this 50% on file as a credit towards **this camper's** enrollment for the following summer when it is expected that the camper will be more camp ready. The 50% credit shall be held on file for one year and is not refundable or transferable.

Your child(ren) may be dismissed from camp for conduct or behavior which the Camp Director deems to be detrimental to your child, to the camp program, to other children or to staff. Camp will refund 50% of the unused tuition should a child be dismissed from camp.

TRANSPORTATION: Each family selects the bus and stop location that is most convenient for them. Space on the buses and at each stop is allocated on a first come, first served basis. If space is not available on the bus of your choice at the time that you enroll, you may request to be waitlisted for that bus and may select the next closest bus and stop available. Families may request that their campers board the bus at one stop in the morning and depart at another stop in the afternoon provided that both stops are on the same bus. Session One bus stops may be moved or eliminated for Session Two due to lower enrollment in the area. In this case you will be guaranteed space on another nearby bus stop.
