An Exciting Summer Lies Ahead!

Welcome to our 63rd camp season! We are excited to have your family be a part of our Camp Kinneret family this summer. We have been hard at work hiring staff and planning our summer program and hope that this summer will be the best one yet! This newsletter contains important information and reminders about deadlines, policies, getting ready for camp, and more!

IT'S HEALTH FORM TIME!!!

Please see the enclosed flyer for instructions.

Do You or Your Camper Have any Special Concerns?

We do our best to prepare you, your camper, and our staff members for the first day of camp. If you would like to discuss any part of our program, have a question we haven't answered yet, or want to share something about your camper, please call to speak with us. By working together, we can set your child up for a successful camp experience.

Preparing For the First Day of Camp!

You'll receive a full packet of information in the beginning of June. It includes things like what to wear to camp, how we prepare for emergencies, how to schedule makeup days and so much more. If you need to refer back to our enrollment policies, you can find them online at campkinneret.com/policies.

We also want to encourage you to mark your calendar and meet your bus staff on the Saturday morning prior to camp: June 17th. This brief meeting provides all campers with an opportunity to meet their bus counselors prior to the first day of camp.

New this year: Staff members will only be at their bus stops on the Saturday prior to Session One. There will not be a second Saturday meeting as there has been in the past.

Outfit Your Camper

All campers will receive one camp T-shirt and lunch bag on their first day of camp.

Water Bottles:

Camp Kinneret water bottles are available for purchase. Just select this option on the online health form and an \$11 charge will be added to your account.

Everything Else:

Visit the Camp Gear page on our website to see what else is available!

Enrollment Availability

Each year when people begin to hear that some groups have begun to form waiting lists for specific day combinations, the word spreads that camp is full. This is rarely true. Like we do in most years, at this time we still have some space in camp for the coming summer for campers of virtually all ages. Families not yet enrolled are encouraged to call and find out about availability.
