

THE GREAT KINNERET SLEEPOUT!!! (Part II)

Friday Night, August 11th to Saturday Morning, August 12th

Traditionally, the Great Kinneret Sleepout is the BIG EVENT of the summer for members of our Camp Kinneret family. Campers enjoy an exciting night sleeping at camp under the stars, creating and performing skits, and sharing a traditional campfire gathering full of songs and stories. As always, our caring staff creates a family atmosphere that allows children to feel safe, secure, and happy. Campers of all ages are invited to participate in this special overnight opportunity!

For some campers this will be their very first time away from home or their first time sleeping outdoors, while others may have more experience with sleeping out. The Great Kinneret Sleepout has been a super successful night for lots of children over the years! You may have some questions about the Sleepout such as: What will it be like? What should my camper bring? What's for dinner? We're glad that you asked! This special Sleepout packet was designed to help answer some of the more commonly asked questions about the Sleepout. If you have any further questions please don't hesitate to call us!

EQUIPMENT NEEDED

To fully enjoy all that the Sleepout has to offer, it is important that campers bring the right gear. The following is a list of supplies to send along with your camper(s). **Clearly label all of the articles that your child(ren) bring to camp so that we can help campers bring their own things home.**

Please pack all of the following in a large, heavy duty garbage bag (or duffel bag), clearly marked with your child's name and his/her counselor's name. If your child rides on a camp bus, your bus counselor will instruct you which day to bring your equipment; if you drive your child to camp, bring their Sleepout bag on Thursday or Friday of Sleepout week. **We strongly suggest leaving favorite stuffed animals and/or blankets at home – we would be very sad if they were to be lost or left behind (sending a 4th or 5th favorite is best).**

1. SLEEPING BAG All of our campers and staff sleep outside on the grass. Even during warm summer days, the nights here at camp can be quite cool. It is important to send an outdoor type sleeping bag that will provide warmth for your child.
2. JACKET A very warm sweatshirt may also do the trick; it can get chilly and it's nice to have warm clothes to wear and even to sleep in. (We sleep in our clothes too.)
3. FLASHLIGHT (Be sure to write your name on it – put a piece of masking tape on first!)
4. TOILETRIES Toothbrush, toothpaste, and any other necessary articles.
5. A SMILE The Great Kinneret Sleepout is FUN!!!
6. LONG PANTS All campers put on their long pants in the late afternoon before it gets dark.
7. EXTRA TOWEL & BATHING SUIT - All campers entering 1st grade and above swim again in the late afternoon.

Please note the following:

If your camper attends camp on Fridays: Please put the long pants, an extra towel and an extra bathing suit in their regular Friday backpack.

If you will be bringing your camper to camp Friday afternoon: Please pack these in a separate bag from your Sleepout items for easy access. (A plastic grocery bag clearly labeled will work.)

Mark the bus stop you're chosen on your sign-up form here to keep for your records.

ANSWERS TO THE 7 MOST COMMONLY ASKED QUESTIONS ABOUT THE SLEEPOUT

1. Will my child's regular camp counselor be there?

YES! Most of our staff are with us at the Sleepout and we wouldn't do it any other way. Our staff are the people who make camp great and they are the people who allow the children who attend the Sleepout to feel safe and comfortable while having fun.

2. Where does everybody sleep?

All of the campers and staff sleep on the field at the top of camp. Campers sleep with their group and their counselors. Members of our Leadership Team are awake all night tucking in children who wiggle out of their sleeping bags, helping children find the restrooms, and generally just being there for any child that may need or want our reassurance or help.

3. Should / can we come visit?

While parents are always welcome to visit Camp Kinneret, we request that you do not visit on Sleepout day or night. For a child who is having one of his / her first experiences away from home, it can be difficult for them to separate from you when you say goodbye earlier that day; if you come to visit, it will force them to separate a second time which is even more difficult and sometimes unsuccessful. This is their big night and they are going to be just fine! You have permitted them to attend this special evening and you will hear all of the stories when you see them on Saturday morning. Please rest assured that if there is a child who is tearful or who is not having a Great Kinneret Sleepout we will comfort them and, if necessary, we will call you (regardless of the hour) to let you know that it just isn't working out. You as a parent need to feel comfortable about the Sleepout or you may be the one who suffers from separation anxiety! If you have these types of concerns please call us so that we can discuss them.

4. Is my child ready for this?

Only you and your child can really determine if they are ready for the Sleepout. We make every effort to create a warm family feeling at camp and nowhere does that exist more than on the night of the Sleepout. Your child knows the other campers in their group and knows his / her counselor like a big brother or sister. Over the years the Sleepout has been successful for the children who have attended. If you have questions about whether or not your child is ready, please call us so that together we can help make the decision that's best for your child. Our philosophy is that a child who is feeling reluctant about attending the Sleepout should not attend; there are lots of summers in a child's life and while some children are ready to attend the Sleepout this summer, others will be ready in future summers.

5. What will my child be like on Saturday morning?

Children will come home excited to tell you about their big night away from home! They will have eaten a nice warm, hearty breakfast and will feel proud about the accomplishment of having been at camp all night. A good strategy (depending on your family's weekend schedule) is to leave Saturday unscheduled. Plan on a shower or bath when they arrive home, washing some dirty clothes, and maybe an afternoon nap!

6. Why did my child say that she / he woke up all wet on Saturday morning?

One of the tricks of nature is condensation! When we wake up on Saturday morning there is some dampness that has settled upon us during the night. Some nights are damper than others but even the clearest and warmest nights bring fresh morning dew.

7. What if my child does not regularly attend camp on Friday?

Children who are not regularly scheduled for camp on Fridays CAN attend the Sleepout! Plan to drive your child to camp on Friday afternoon (bring sleeping bag and other supplies with you) and join us between 3:00 - 4:00. Your child's counselor and group will be waiting for him/her at Friendship Hill. Please be prepared to "drop & go" as we need parents to head out quickly to make space for others arriving to drop off their campers.
