THE THREE TRIBES OF CAMP:

MIWOK, CHUMASH & NAVAJO

The **Miwok tribe** consists of campers going into pre-K and kindergarten.

The **Chumash tribe** is made up of campers entering 1st-3rd grades.

The **Navajo tribe** has campers going into 4th-7th grades and also includes CITs.

33rd ANNUAL CAMP KINNERET OLYMPICS

Once again, the second week of Session Two will see the hills of Agoura become the Olympic Capital for the 2017 Summer Games. The week of July 31st is our special week filled with Olympic fun. Monday-Thursday the campers will be doing their best to help their team and enjoying the friendly spirit of competition. This special week includes events such as: Opening & Closing Ceremonies, Track Meets, Relay Races, Statues, Pictionary, Swim Meets, Banner Contests, Team Cheers, and much more!

LOST AND FOUND

Please label **everything** your child brings to camp with first **AND** last names, including clothing, backpacks, towels, etc... We collect lost & found each day that we are glad to return to rightful owners. If you come for a visit, please stop by the Program Office to find items your camper may have left behind.

GROUP PHOTOS THIS

THURSDAY & FRIDAY

Smiling faces are a must at camp this Thurs. & Fri., July 27th & 28th. On these two days, each group will take a group photo. If campers would like, this is a great opportunity to show off their very fashionable Camp Kinneret T-shirt. In December, when campers are in school and their camp experiences are behind them, they will get a fun surprise in the mail - their 2017 Camp Kinneret group photos!

BEACH TRIP NEXT WEEK

The **NAVAJO tribe** and the **CITs** go on a beach trip next Wed., Aug. 2nd (& again Tues., Aug. 8th). Please send them to camp wearing their bathing suits on beach days. Pack a lunch that will not spoil without refrigeration, sunscreen, a towel, an extra T-shirt, and a sweatshirt in case the beach is chilly. Chairs, boogie boards, iPods, and other beach gear are not appropriate for Camp Kinneret beach trips. We have a blast with the equipment we bring, the sand, and sea! CITs will have some exceptions, Joey will let the group know what is ok to bring!

WEEKLY NEWSLETTERS

Each week you will receive a new KINNERET HIGHLIGHTS. These are distributed on the bus each Monday and Tuesday (And sometimes also mid-week for special events!). Kinneret Highlights are also available online by clicking the "Newsletters" button on the "Current Families" page at campkinneret.com.

EVERY DAY IS VISITING DAY!

We encourage all parents to choose at least one day during the session to spend an hour or two with their camper(s) to see what a camp day is all about. You are welcome any time, so look at your calendar and schedule a Camp Kinneret day for you! *(Please do not visit on Friday Aug. 11th, the day of our Great Kinneret Sleepout 2. It's such a busy and energy-filled day in camp that it is not a great day for parents to enjoy sharing time with their campers.)*

SENDING NOTES TO CAMP

If you are sending a note to camp with your camper, it is best that you give it directly to your bus counselor or extended day counselor. We find that notes placed in camper bags often never leave their bag!

WHAT TO WEAR TO CAMP

Shorts and T-shirts are great for the summer, because there are trails to walk, hills to climb and games to play. Please do not send your campers in sandals, Crocs, Keens, or other similar footwear. Tennis shoes with socks are always the best choice for safe fun at camp. In all cases, shoes should be fully enclosed.

CAMP KINNERET GEAR

Campers starting new at camp this week will receive a camp T-shirt and lunch bag. Would you believe that Camp Kinneret campers and staff alone would use nearly 15,000 paper bags for lunch this summer if not for their handy Camp Kinneret reusable bag? In our effort to help preserve our planet and teach our campers about the role that we all play in shaping our future, every camper should be encouraged to use a reusable bag each day! If your T-shirt is not the right size, simply return it with your camper and enclose a note indicating the size of the new shirt you would like.

TRANSPORTATION

For those campers who ride the bus, it's a big part of the camp experience. It also takes an enormous amount of coordination and communication between camp families and our staff. You can help make the transportation process run smoothly by remembering the following few hints:

- 1) If your camper normally rides the bus, but you will be picking him/her up at camp at the end of a day, please call the office **no later than 1:00 pm** on that day so that we can ensure that your camper does not board their bus. (Please have your ID in your hand to sign your camper out when you arrive.)
- 2) Each morning, help campers be "Ready Rabbits" by having them at the bus stop ready and waiting to board their bus at least 5 minutes before its scheduled departure.
- 3) At the end of the day, please be sure to be back at your bus stop before the bus arrives. **During the first week or so, please have your ID (or camper claim check) in your hand for the bus counselor.** They'll get to know you soon and then it won't be necessary.
- 4) If your camper will be absent, please let us know as early as possible so that we can let the bus know and ensure you are entitled to a makeup day (see Absences & Makeups).

CAMPERS BROUGHT TO CAMP BY THEIR PARENTS

Campers being driven to camp by their parents should be dropped off between **8:15 & 9:00**. This helps ensure that they are safely at camp and you are safely able to leave before our buses arrive. Please help us by ensuring that your campers are at camp and ready to go by 9:00. Thank you in advance for your help.

KEEPING LICE OUT OF CAMP

As we all know, many schools have made lice checks part of a weekly or monthly routine. Thankfully, lice are not dangerous, just inconvenient. In our effort to prevent head lice at camp, all campers are checked during the first two days of each session. In camp, we spray all of our helmets daily (*we use helmets for high ropes, rock wall, field hockey, & ponies*) and discourage hat & hairbrush sharing. We also have campers wear commercial-sized coffee filters inside the helmets as an extra barrier. While this may look a little funny and certainly can create extra trash, we feel it is worth the extra insurance. At home you can help by watching your campers for itchy scalps. Call your family physician if you need more information.

WOODWORKING

Our woodworking program got off to a great start in Session One. Campers in Gabrielle's (G9) and Bella's (B9) groups will be working on projects that take two days to complete. Woodworking is scheduled on 2 Fridays and 2 Thursdays during the session. In Session One campers completed a desktop charging box and a pallet coaster. We're excited to see what they'll create this session!

ABSENCES & MAKEUPS

1) Campers who miss a regularly scheduled day are entitled to make up that day provided that we receive advance notice of the absence. If you know that your camper will miss a day in the future, you can schedule their makeup day to occur before the actual absence. The earlier you call the better the chance that your desired makeup day will be available. **To schedule a makeup day,** simply call the camp office as soon as you know that you need one and no later than 1:00 pm on the day preceding the desired day. (*Note that we are happy to schedule makeup days at no additional charge, but if you later cancel and reschedule a makeup day, there is a \$10.00 fee.*)

2) If your camper wakes up feeling ill, call the office as early as possible so that we may notify the Bus Captain (*the lead bus counselor*) before they leave in the morning. We speak with each of them very early each day and they will be looking for your camper to board the bus.

3) It is best to call us between 9:30 am and 2:30 pm regarding other transportation questions. These are the times when the buses aren't rolling and our office staff can best focus on helping.

4) Camper absences must be made up during this session. We encourage you to arrange your makeups sooner rather than later as there are no refunds for missed days that are not made up during this summer.

SWIM WRISTBANDS

On the first two days of Session Two, our swim staff evaluates each new camper for water safety. Each day, campers wear colored wristbands at the pool which help us ensure the wellbeing of all of our swimmers. To be considered fully water safe (green wristband), a camper needs to demonstrate that they can comfortably jump into and also swim across our deep end without any difficulty. If your camper's swim ability is greater than what they may have displayed in camp during the first days, simply have them ask their counselor or swim instructor for a re-evaluation. We will be happy to do it again! As always, if you have any questions, please call our office!
