

# Sessions and Day Combinations

## Why Sessions?

We believe that camp is so much more than just activities. Camp is about being supported and encouraged to try new things. Camp is about being part of a group, developing a team spirit, and having the chance to lead. Creating a special place to belong takes more than just a few days, and the family feel of camp cannot happen when there are new campers coming and going throughout the summer. Our 4 and 5 week sessions are an integral part of the quality experiences that we provide for children and the reason that so many Camp Kinneret campers return from one summer to the next.

### Session One:

Five Weeks | June 19 - July 21
