

WEEK 2 HIGHLIGHTS!

We're exhausted and excited after an awesome beginning to camp! Traditionally, we send weekly newsletters home (called The Kinneret Highlights!) with campers each week. This year we are sticking to mostly digital communications so please look for these reminder emails at least once per week. We'll also post this information on the Newsletters page on our website. Read on below for more information and reminders!

WEEK #1 EXCITEMENT!

The first week of camp was a great success! We met new friends, learned new songs and had a fun-filled week of first bulls-eyes, introductions to ponies, dips in the pool, epic games of gaga, creative crafts, and lots more. Hikes began this week and every group will be scheduled a hike at least once this session.

ABSENCES

Thank you for remembering to call in your camper absences! If your camper wakes up ill, call as soon as possible to let us know. Our voicemail is available at all hours and we begin answering phones at 8:00 am each morning.

TIE DYE NEXT WEEK

Everyone will be tie-dying shirts at Arts & Crafts next week (June 28 - July 2)! Groups will be scheduled to work on their tie-dye throughout the week so please send 1 white t-shirt in a Ziploc (or similar) bag. Please label the bag and the shirt with your camper's first and last name.

Once your camper brings home their dyed shirt, there is no need to send another this session!

GROUP ROSTERS!

We will be sending group rosters home with everyone next week! They will contain contact information (cell phone, home phone, email address) for the parents and/or guardians of each of the campers in your child's group. If you have concerns about which contact information we are sending home for you, please contact us by this Friday, 6/25.

FORGOTTEN WATER BOTTLES AT HOME?

Be assured that we have lots of disposable water bottles here at camp to ensure all campers are staying hydrated, even if they forget their bottles at home! During our morning assembly each counselor is checking to make sure each of their campers has a bottle for the day. If not, their Leadership Team person will bring a disposable bottle for the camper to use. Each disposable bottle costs \$1 which will automatically be charged to your account if your camper forgets their bottle for the day.

LABEL YOUR CAMPERS' ITEMS!

We have had a great start with keeping our lost and (not) found to a minimum so far! Please continue to ensure that your camper's items are labeled with their full names to help us match lost items with their owners before they go home for the day. If you are missing items, please let us know and we'll ask your camper's counselors to help them look for it.

Most importantly, we want to make sure that we're not mixing up our water bottles with other campers! Please make sure your water bottles are labeled and re-label them as the labels wash off.

VIRTUAL CAMP VISITS!

Next Wednesday, June 30th, we will be hosting a virtual visit of camp by Zoom! Tune in to see all of us in action that day! We know it's been hard for families not to see what their campers are doing at camp and we hope this will be the next best thing. Keep an eye out for the details arriving by email early next week!

**Please note that this is not an informational tour for inquiring families. Only Session One parents/guardians are invited to attend to see what's happening at camp while their campers are with us all day!*
