IMPORTANT REMINDER:

Camp is closed Tuesday, July 4th for the holiday!

Those of you scheduled for that Tuesday were not charged for the day.
Monday, July 3rd and Wednesday, July 5th will be regular camp days.

LEAVING EARLY ON MONDAY 7/3?

PLEASE CALL AND LET US KNOW IF YOU ARE PLANNING TO PICK UP YOUR CAMPER EARLY ON MONDAY!

For our celebration, we have a camp wide *Independence Relay* that takes place in the middle of the day. During that time, we won't be able to bring down campers who are leaving early. Please plan to come prior to 12:30 or between 1:50-2:00 if you need to pick up your camper early.

If you are planning to pick up early, please leave a message over the weekend or as early in the day on Monday as possible. Calls ahead make it possible for us to get a note to the counselors, which makes the day much smoother for everyone!

THE GREAT KINNERET SLEEPOUT I

(Friday, 7/14 - Saturday, 7/15)

If your camper would like to join us for this fun annual tradition, please complete the online signup form by Friday, July 7th.

CILTs ARE CHANGING GROUPS

Many of you have probably heard your campers talk about their CILTs when recapping their camp day. You've also probably wondered, what is a CILT? CILT stands for Camp Internship for Leadership Training. These are high school volunteers who have been chosen to participate in our leadership training program. During the summer they are learning and practicing important skills to become great counselors. In most cases the CILT stays with the same group for two- or three-week rotations. They help the counselor create the fun that makes Camp Kinneret special.

The first CILT rotation ends this week, and next Monday most CILTs will join new groups for the remainder of the first session. Keep in mind, getting used to the change of faces sometimes takes some time, especially for younger campers.

CAMP PHOTOS!

We've had a great start to the summer and can't wait for you to see some of the fun we've had. While we try to get a diverse collection of photos, we know we likely missed some campers and groups along the way. Each week we will post our collection of photos on a password protected site for families who are enrolled in session 1. Please enjoy the photos and keep the password private.

The password is 'ck23s1!'. You can find the photos here: ck.camp/s1_photos

TIE-DYE: WEEK OF JULY 10!

All Week 4, July 10 -July 14, we will be tie-dying in Arts & Crafts. Groups are scheduled to tie-dye on different days throughout the week. **Please send 1 extra labeled white t-shirt with your camper every day that week.** (Your Camp Kinneret shirt works great!) This way, your camper will be ready each day in case the group has Arts & Crafts scheduled. *(Once your camper has tie-dyed their shirt, there is no need to continue sending an extra t-shirt for the rest of the week.)*

PLEASE WRITE YOUR CAMPER'S FIRST & LAST NAME ON THE TAG! *It is also a very good idea to have your camper wear something to camp that you/they wouldn't mind getting dye on. Sometimes the tie-dying process results in splashes and/or drips!*

LABEL YOUR CAMPER'S ITEMS!

We work hard to help campers keep track of their things but we move around a lot throughout the day! Help us reunite your camper and their belongings by labeling everything you send to camp with them. Label Daddy has provided us with the opportunity to earn money toward our Campership Fund. CALL IN YOUR ABSENCES!

Please continue to help us by calling in your camper absences ahead of time!

- If you know your child is going to be absent, please call the office to inform us as soon as you know.
- If your child wakes up not feeling 100%, please call and leave a voicemail with your camper's name, day and date of the absence, and their bus stop letter (or location) if you know it.
- If you have two or more children attending camp, and one of them will be absent, please still call the office so that we can properly mark them absent in the office.

Any absences that are properly reported are eligible for a makeup day, with some restrictions detailed below!

Thank you to all of the families that have been communicating their absences! It is a huge help!

PLAN AHEAD FOR MAKEUP DAYS!

Has your camper missed a day of camp? If the absence was properly reported, and your camper isn't scheduled for 5 days/week*, be sure to call to schedule a makeup day! Please plan ahead and remember that campers attending only Session One must make up their absences during the first session. Makeups are available provided that there is space in the group and on the bus that day. Call as soon as you can to avoid the end of the session crunch! As always, please let us know if you have any questions or concerns.

**The 5-day tuition rate is adjusted to account for a camper missing a day they cannot make up.*

SESSION TWO ENROLLMENT

We see so many happy faces at camp and we love to see them continue with their Camp Kinneret adventures. Session Two has a few special activities that do not take place during Session One such as Olympics Week and Carnival. If you are interested in extending your camper’s summer at camp, we still have some availability. Please call the office if you'd like to check the space for your camper. Continuing campers from Session One may attend for as few as two weeks (any two) of the second session (July 24th – Aug 18th) or enroll in a full session of three or four weeks. There is limited space available in some groups, so please call soon!

HIKING TO THE LEMONADE TOWER AND OG'S THRONE

Hiking is one of the special activities that we participate in at Camp Kinneret. Parents and campers often have lots of great questions about hiking at camp!

Pre-k through 4th grade campers hike to the Lemonade Tower on the hill behind camp (outsiders might call it a water tower). Hiking to the Lemonade Tower is a wonderful adventure. Each group takes lots of water and once they are at the tower, campers magically get lemonade! Some groups insist that this magic is done by the mermaids that live inside the tower and sometimes groups even talk to the mermaids!

It is fun to look down over camp from the Lemonade Tower. The trail has been cleared (about 8-10 feet wide), so campers hike in their regular camp clothes. The hike is an adventure for little legs; for adults the hike takes about 8-10 minutes to get to the tower. All Sparrow, Quail, and Owl groups are scheduled for hikes at least once during the session; however, on some days hikes are canceled if we feel it is too hot. We always try to reschedule any canceled hikes, but we are at the mercy of the weather. Keep thinking cool thoughts!

Our youngest campers (pre-k and kindergarten) go on a special hike called the Sparrow Summit Spectacular. Several of the groups will go together up to the Lemonade Tower with special characters to help them along the way!

Og’s Throne is a hike specially designed for our Condor campers (5th through 9th grades). This hike is incorporated into our Nature program. There are lots of plants and rock formations to talk about on the hike and Og’s Throne is located with a great view overlooking the hills of Agoura. Some groups have already been on the hike and others will be going later in the session.

EMERGENCY DRILLS

Your child may come home talking about emergency and evacuation drills. We practice for emergencies that may occur in camp as well as any that may happen on a bus route. If you have questions, give us a call!
