

WEEK 4 REMINDERS!

Camp Kinneret Highlights

July 10 - July 14

Dear Friend,

Week 3 was so much fun, and there are some even more exciting things coming up in Week 4! Please read through this email for information and reminders about the week ahead!

IT'S TIE DYE WEEK!

This upcoming week, July 10 - July 14, we will be tie-dyeing in Arts & Crafts! Groups are scheduled to tie-dye on different days throughout the week. **Please send 1 extra labeled white t-shirt with your camper every day next week** (your Camp Kinneret shirt works great!). This way, your camper will be ready each day in case the group has Arts & Crafts scheduled. Once your camper has tie-dyed their shirt, there is no need to continue sending an extra t-shirt for the rest of the week. However, if your camper attends 5 days a week, you are welcome to pack a second shirt for them to tie-dye during their group's second visit. **PLEASE WRITE YOUR CAMPER'S FIRST & LAST NAME ON THE TAG!**

It is also a very good idea to have your camper wear something to camp that you/they wouldn't mind getting dye on. Sometimes the tie-dyeing process results in splashes and/or drips! If your camper is missing camp this week, there will be makeup tie-dyeing the following week. Just send their shirt in their backpack the following week and remind your camper to ask their counselor to take them to Arts & Crafts to dye their shirt.

for instructions about how to care for your tie-dyed shirt!

SESSION 1 MAKEUPS

Please be sure to call the office as soon as possible to schedule Session One makeup days. Campers attending Session One only must schedule make up days during the first session - campers enrolled in Session Two may do make up days in either session.

ADDING WEEKS IN SESSION 2

Session One campers may attend any 2, 3 or 4 weeks in Session Two. Call today if you would like to extend your camper's enrollment into Session Two. Enrollment will depend upon space available in the group.

If you know any new families that would like to join us for Session Two, please invite them to call us to inquire about space and to learn about our program! Campers not enrolled in Session One must enroll for a minimum of 3 weeks in Session Two.

THE GREAT KINNERET SLEEPOUT! (Friday, 7/14)

This Friday is the first Great Kinneret Sleepout of the summer! If you want to sign up, it's not too late! We've extended the deadline to this Tuesday, July 11th. The online Sleepout registration form must be completely submitted in order for your camper to attend. Please contact us if you have any questions!

For the registration form and information about what to pack, what we eat, what we do, and other frequently asked questions, **[click here!](#)**

CAMPERS NOT ATTENDING SLEEPOUT

If your campers are scheduled to attend camp this Friday, but are not staying for the Sleepout, here is some important information!

- The camp day will be a regular day for campers even though we're busy in the background getting ready for the night!
- Buses will be returning to their regular stops at the regular times.
- Your bus stop counselors will most likely be different than usual so....

Please remember to BRING YOUR I.D. for sign out because your bus counselors may not know you!

LOST & NOT FOUND

Our collection of lost and (not) found is growing! We do our best to get labeled items back to their owners, but when there are no names it makes it very difficult to help. Items like bathing suits and towels often go unclaimed. Please help us by clearly labeling your child's camp clothing and other items with a first and last name. Also, if you ever realize your camper has brought home someone else's towel, t-shirt, or other item, please send it back to camp and we will get it back to its owner.

We've posted pictures of items that have been left at camp in hopes that we can get them back to their family before the session is over! Our Session One Lost & Found Gallery is now online! We've posted pictures of any unlabeled items for you to browse through. Claimed items, as well as items that were labeled with camper names, will be returned to campers. Any items that are unlabeled and unclaimed by the end of summer will be donated.

Click here to view the lost and found gallery!

IT'S TIME TO RE-LABEL... EVERYTHING!

Thank you for labeling your camper's clothes, hats, water bottles, etc. before the summer started! As the weeks pass, the label might be coming off (especially on items like water bottles!) so please take a look and relabel any items that you are sending to camp to help us get them back to you!

CAMP PHOTOS!

We've had a great few weeks and love sharing a glimpse of the fun we've had! Each week we will post our collection of photos on a password protected site for families who are enrolled in session 1. Please enjoy the photos and keep the password private. While we try to get a diverse collection of photos, we know we likely missed some campers and groups along the way.

The password is 'ck23s1!'.
You can find the photos here: ck.camp/s1_photos

IS YOUR CAMPER UNDER THE WEATHER?

Please keep your campers home if they aren't feeling well! Being at camp requires lots of energy and it's hard to participate in activities when you aren't feeling 100%. We also want to keep the rest of the camp community as healthy as possible. Thank you for your help!

THE A-PARENTLY PODCAST:
PRAISING THE PROCESS

with Catriona Sangster and Kristy Andrews

<https://a-parently.supportingcast.fm/kinneret>

LISTEN TO A CLIP!

A lot of our world is focused on final products. Due dates, numbers, and letter grades can completely overwrite the creative thinking, problem-solving, and learning experienced along the way.

We know that we cannot help our children overcome every adversity. But what is the role of the parent in this learning cycle of setting up and taking down supports? And how do we shift our focus (and our children's focus!) from these products to the experiences themselves?

According to Cat and Kristy, the secret to raising children for resilience and success is to **praise the process**. To not only accept but commend failure, a *First Attempt in Learning*. Encouraging creative thinking and problem-solving may take more intentionality on our end, but the result is a child just as excited about the learning process as we are. You can join us today for some examples of how you can implement this into conversations with your kids.
