

# KINNERET HIGHLIGHTS

## Weekly Edition

818.706.8255 REMINDERS & HAPPENINGS FROM OUR 72<sup>nd</sup> SUMMER! CAMPKINNERET.COM

### IT'S HARD TO BELIEVE THAT CAMP IS OVER... WE HAVE TO WAIT HOW MANY DAYS 'TIL NEXT SUMMER??

Dear Friend,

It's hard to believe another summer at Kinneret has already come to an end. After weeks filled with bus cheers, group games, swimming, special days, new challenges, lots of laughter, and countless little moments in between, camp suddenly feels very quiet!

As we look back on Summer 2026, we're incredibly grateful that your family chose to spend the summer with us. We know that sending your child to camp requires a tremendous amount of trust, and we never take that for granted.

Our hope is always that campers leave Kinneret with more than memories of the activities they did. We hope they leave a little more confident, a little more independent, with new friendships, new skills, and stories they'll still be talking about months from now. Those are the experiences we work all year to create.

We're already thinking about Summer 2027, and hearing from our families is an important part of that process. We'd love to hear about your child's experience this summer, what they loved, where they grew, and anything you think we could do better. Please feel free to send us an email or give us a call. Your feedback really does help shape the summers ahead.

Thank you again for sharing your child with us this summer and for being part of the Camp Kinneret community. We hope Summer 2026 gave your camper plenty of stories to tell and skills that will last them a lifetime!

Below, you'll find a few end-of-summer reminders, updates, and things to keep on your radar in the months ahead.

### Fall Highlights

Keep an eye out in the fall for this extra special edition of the Highlights. It's written by your camper's counselors and specialists!

### Group Pictures

We'll mail copies of your camper's group pictures in December. *Remember to let us know if your mailing address has changed!*

---

### Campership Fund

Did you know we have a scholarship fund, administered by **Educating Playfully, Inc.** (a 501c3 organization)? This program helps us support the mission of getting more children from our community into camp.

Through the assistance of Camp Kinneret families and staff members who have donated to our campership fund, virtually every group had at least one camper attend this summer through this program.

### **If you'd like to help us continue this mission, please consider making a tax-deductible donation!**

You can make the donation in 3 ways:

1. Make a donation online by [clicking here](#).
2. Call the office to provide a credit card.
3. Send us a check made out to Educating Playfully, Inc. and include Camp Kinneret in the memo section. Our mailing address is: Camp Kinneret, PO Box 329, Agoura Hills, CA 91376.

In any case, you will receive a charitable contribution acknowledgement for your tax records.

To learn about more ways to give back, please visit: <https://ck.camp/giving>

## See Your Campers at Camp! Check Out the Photo Galleries!

Throughout the summer, we've been taking and posting pictures of all of the fun our campers are having. Hopefully you've been following along as we posted new photos each week, but if not, you can still see them! All of the photos from the summer are still available on the Whereabouts App for a few more weeks, so please take a look ASAP! We hope you enjoy seeing all of the fun we were having!

---

## Lost and (Hopefully) Found

Our Lost & Found Galleries are still online and can be viewed through the Whereabouts app! We've posted pictures of any unlabeled items for you to browse through. Let us know which items are yours and we can arrange for you to swing by camp to pick them up. Any items that are unlabeled and unclaimed by the end of summer will be donated. **If you spot something that belongs to you, [click here to claim it!](#)**

---

## Enrollment for Summer 2027:

Mark your calendars and remember to submit your applications for next summer starting in January!

Returning Camp Kinneret families have priority when it comes to registering for next summer during the month of January. However, we do enroll returning families in the order in which we receive your application so get them in early!

Here is how the priority enrollment period for returning families works:

1. Enrollment information will be emailed to you at the end of December.
2. Submit your application to us by January 31st and it will be processed before any new family applications.
3. Returning family applications are processed in the order in which they are received. Some day combinations in some groups begin to form waiting lists during the priority period, so submitting your application earlier in January increases the likelihood (though doesn't guarantee) that your desired space will be available.
4. Beginning mid-January, new families will be able to submit applications which will be held in order and processed beginning in February. Returning families applying after January will be processed alongside new families on a first-come, first-served basis.

We encourage you to submit your application in January even if you are unsure of your summer plans. Our refund policy allows you to receive a full refund of your deposit if your plans change by the deadline, which will be indicated in your enrollment packet. If your camper has friends who would like to attend Camp Kinneret in 2027, please have them contact us for information about applying!

---

## Become a Camp Kinneret Ambassador!

We'd love for you to join our Ambassador Program! All families who have attended Camp Kinneret are eligible to participate and become ambassadors to help introduce new families to our program. You can also sign up to host a CK Chat, an informal gathering at your home for your friends, neighbors, classmates, or coworkers to learn about Camp Kinneret. Referring families will receive a discount on next summer's enrollment (and this really cool sticker!).

**Click here for more information!**

**We wish all of our campers a healthy, happy school year full of exploration, discovery, and fun!**
