GROUP PICTURE DAY

Monday, August 3rd will be group picture day. Send your camper with their brightest smiles! Many campers like to wear their official Camp Kinneret shirts on picture day too. In the winter, we'll mail a copy of your camper's group picture as a reminder of their Camp Kinneret summer, the fun they had, and the friends they made! If your camper is absent on photo day, they will still receive a copy of their group photo. If your mailing address has changed since you submitted your application, or will change before December, please send us an email to let us know!

Summer's Not Over Yet... It's About to Get Wacky!

There's still time to enroll your camper in...

Weird, Wild, & Wacky Week, August 10-14

One more week. Let's end summer with a WACKY bang! Before summer winds down, we're turning the fun all the way up with one last special week of camp.

This isn't a regular week of camp! It's a bonus-week mashup of Kinneret favorites, silly surprises, messy fun, goofy twists, and big summer energy.

Campers will spend five more screen-free days outside with friends as they:

- Swim, play, create, explore, laugh, and get messy
- Try favorite activities with extra-wacky twists
- Jump into special Week 9 surprises

- Build confidence, independence, and resilience
- Give summer one last giant burst of camp spirit

Week 9 is available only to campers who attended one of our two-week sessions this summer.

Space is limited, so grab a spot before this once-a-summer adventure disappears!

THE 2026 CAMP KINNERET OLYMPICS WERE A SUCCESS!

Our 41st Camp Kinneret Olympics were full of track & swim meets, cheer competitions, banner contests, and lots of individual group sporting events. Poseidon always finds a creative way to arrive at camp to administer the Olympic oaths and declare the Camp Kinneret Olympics officially open. This year, he arrived on roller blades, a newfound hobby for him. Unfortunately, he hadn't yet learned how to stop (or go backwards) and camp is a very hilly place. Thankfully, he was able to administer the Olympic oaths while skating around! While the **Green** Team took home the gold medal this year (**Red** took silver and **Blue** took bronze), all of our athletes enjoyed the fun Olympic activities and celebrated with their own official Camp Kinneret Olympic Medals. Congratulations to all of our athletes for a great week full of good sportsmanship and fun!

LOST & (HOPEFULLY SOON TO BE) FOUND

We do our best to get labeled items back to their owners, but many of the things we find have no names. Items like bathing suits, goggles, and water bottles often go unclaimed. Please help us by clearly labeling your child's belongings with full names, and by updating those labels as they get worn off. If you ever realize your camper has brought home someone else's towel, t-shirt, or other item, please send it back to camp with your child and we will get it back to its owner. Unlabeled items are displayed at the Friendship Hill assembly every day so campers can claim the things that belong to them.

We've taken pictures of all of the unlabeled items that we've collected and post them through the Whereabouts app each week. IF you spot something that belongs to your camper, **click here** to claim it! items not claimed will be donated to charity in the fall.

IT'S TIME TO RE-LABEL... EVERYTHING!

Thank you for labeling your camper's clothes, hats, water bottles, etc. before the summer started! As the weeks pass, the label might be coming off (especially on items like water bottles!) so please take a look and relabel any items that you are sending to camp to help us get them back to you!

Note: Mabel's Labels has provided us with the opportunity to earn **20% of your purchase toward our Campership Fund.** To learn more about their product, **click here.** (Check out the "Logo Label Pack" if you want labels with Camp Kinneret's logo!)

Whereabouts

The Whereabouts app is a great way to let us know about an absence, make a change to drop off or pickup time and more!

Families can use the app for:	Camp will use the app to share:
- Camper absences. - Late arrivals. - Early pickups (before 2pm) - Transportation changes to a different stop on the same route. - Pick-ups/Drop-offs at camp instead of riding the bus.	- Weekly camp photos every Friday to share with your camper! - Helpful reminders and details on the Newsfeed so they don't get lost in your email. - A summer calendar of events.

While you can always call the office to make necessary changes, our app makes it easy and convenient to access the information you need.
